CHRISTUS Health and Capella University Partner to Offer New Benefits

Your degree, your way, on your own schedule is now more affordable thanks to a partnership between CHRISTUS Health and Capella University. Choose a bachelor’s, master’s, MBA, PhD, or certificate program to help you stay current in the ever-changing field of health care.

As an associate of CHRISTUS Health, you and your immediate family are eligible for significant financial and educational benefits, such as:

• 10% tuition discount on all Capella degree programs
• A $4,000 grant for those who enroll and start in any degree program between March and June 2017
• Credit for your professional certificates and prior learning
• Free professional development webinars, many of which qualify for CE credit
• Support including academic advising, career counseling, and disability accommodation

Featured Degree Options
Choose your Capella University program from more than 163 degree and certificate programs at undergraduate and graduate levels. Featured degree areas include:

• Master of Health Administration - Acquire the kind of insight and expertise that's in high in-demand by top health care facilities, as you develop skills that can be applied immediately to today's complex health care challenges.
• Master of Business Administration - Improve your ability to lead innovation and ongoing success in organizations.
• Information Technology - A flexible, online information technology program can prepare you for the many challenges that exist in the field of IT. At Capella, you'll receive a competency-based education to gain immediate, on-the-job impact.

Two Online Learning Formats
Online education for working adults is all we do, and we’re very passionate about it. Our curriculum is 100% competency based, and we offer two learning formats:

• FlexPath allows you to leverage what you already know and complete your work at your pace without scheduled class times or deadlines.
• GuidedPath helps you stay on track with pre-set deadlines while you create coursework habits based on your personal schedule.
